HB,
Can't wait to see you at the airport!

This morning I'll be racing from Johnny's swim meet to girls swim meet – if they finish on time they will come with me to the airport.

Maybe we can call Rick about the 1 spot he has at USC – hate to lose it if we want to go down this path. Rick is meeting Johnny next Saturday.

Xoxoxo

Ok - is another candidate looking at USC also so we should be pushing Johnny to decide if that's his number 1 choice - as I mentioned hate to lose this due to us taking too long to decide (Johnny is unaware of this arrangement)

Hi Rick,
Is this spot still available for USC – should we decide before our Easter trip. It would be such a shame to lose it because we didn't decide fast enough.
Thanks,
Leslie

Gpa ISC is 3.8 plus and 1950+ is low solid burnout where near for sure on his own. Jovan is giving me 1 boys slot and as of yet no one has stepped up to commit that is why it is later

Thx. I thought the USC deadline was much earlier.

Also, what is chance of USC or BC if he goes to Europe for two years at international school and gets 3.4 and 1900 SATs?

Thx

USC and BC by mid July. USC 95 percent chance- BC 50 until I have a face to face and his test scores are in, Georgetown need very good grades and no more than one B this semester and 1950+ by mid June then depending on commitment 90 percent if all in -

What is the deadline to decide on side door for USC or BC or Georgetown etc this year? (Also pls confirm for which schools is side door option really viable)

Also, if Johnny went to AMS school for two years and played club water polo there what is probability side door at USC or other locations would be a realistic option then?
